Home type: <input type="checkbox"/> Existing site-built <input type="checkbox"/> Existing manufactured: # of sections <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> 3			
Existing Heating System Being Replaced:			
<input type="checkbox"/> Heat Pump		<input type="checkbox"/> Other non electric space heating: _____	
Heat pump outdoor compressor type must be Variable speed			
Midstate inspection completed: Yes No			

Documentation to submit with this form:

- Copy of this completed form
- Purchase receipt or invoice, including the heat pump make and model number
- AHRI Certificate
- For the variable speed compressor, include manufacturer documentation that the outdoor compressor includes variable speed or inverter driven technology (e.g. specification sheet, brochure, or screen shot). *Note: Including the text "variable speed" on the invoice will not satisfy this requirement. Additional documentation is required.*
- Return completed paperwork to: energyefficiency@mse.coop.
