## Don't Miss Our Electric Vehicle Tailgate

Electric cooperatives play a critical role in the adoption of electric vehicles. Our mission is to provide reliable, affordable and safe power to our members. With EV use on the rise, we have an exciting opportunity to expand our role from energy providers to supporters of the transportation revolution. As members of Charge—a network of nearly 100 electric cooperatives championing electrification in rural America—we are proud to be at the forefront of this movement.

I am pleased to invite you to the third annual Midstate EV Tailgate Event from 10 a.m. to 2 p.m. on Saturday, Sept. 28, at our office at 16755 Finley Butte Road, La Pine. This event is a celebration of National Drive Electric Week and provides a glimpse into the future of transportation and energy.

We're excited to bring our community together to showcase the latest in EV technology. The transportation landscape is evolving rapidly, and EVs are leading this change. This event offers you a chance to see and learn about these incredible advancements driving us toward a more sustainable future.

Here's what you can look forward to at the event:

- EV showcase. Get an up-close look at a variety of electric vehicles from leading manufacturers. The Central Oregon Rivian Club and Tesla Bend will be on hand to showcase their models.
- Charging solutions and infrastructure. Learn how easy it is to charge an EV at home, at work or on the go using Midstate's public charging stations.
- Fun and games. Enjoy complimentary refreshments and snacks while you mingle with fellow attendees. You also have the chance to win some exciting prizes and raffles.

Midstate Electric is committed to leading the charge in supporting electric vehicles. We are excited about the opportunities that EVs present—not just for our members, but for our entire community. By embracing EV technology, we are driving toward a future that is not only innovative and efficient but also sustainable and resilient.

Mark your calendars for Saturday, Sept. 28, and bring your family and friends. We hope to see you there!

**Jim Anderson**
